

Workshop for local businesses – Tweed Valley Hospital project

A free workshop for local businesses wanting to work on the Tweed Valley Hospital project will be held in Kingscliff on Tuesday 4 June.

The Tweed Valley Hospital project offers a range of opportunities for local businesses from construction right through to operations.

Gain insight into what your businesses needs to demonstrate to get on the tender lists for this major NSW Government project and understand how to best present your services, know-how, experience and qualifications.

Hosted by the Industry Capability Network NSW (ICNNSW) and NSW Department of Premier and Cabinet (NSW DP&C) the Gateway Profile Improvement Workshop will be held:

Tuesday 4 June 2019

8:30 am – 12:00 pm

Kingscliff Beach Bowls Club

[Free to attend: Click here to register](#)

To access these opportunities, Northern NSW businesses are encouraged to attend the workshop and register their expression of interest to work on the project through the Industry Capability Network (ICN) website at https://Tweed_Valley_Hospital_Development.icn.org.au

For further information regarding the Tweed Valley Hospital development, please visit the project website at www.tweedvalleyhospital.health.nsw.gov.au
