

WORKS NOTIFICATION

The NSW Government is investing \$723.3 million in health for the Tweed-Byron region, which includes construction of the new Tweed Valley Hospital. The new hospital is on track to open to patients late-2023.

Tweed Coast Road and Cudgen Road intersection upgrade works

This intersection is being upgraded to facilitate more efficient access to the hospital when it opens to patients. The upgrade works will include: the provision of additional turn lanes and turning capacity; road and surfacing improvements; lighting and traffic signals; and drainage and services installation.

These important intersection upgrade works are expected to be complete early-mid 2023.

Ongoing works

- Telecommunications (Telstra, Optus, NBN, AARNet) relocation and installation works are continuing onsite.
- Excavation and embankment works on Tweed Coast Road to the north and south of Cudgen Road to cater for road widening and new footpaths.
- Drainage improvement works on Tweed Coast Road.
- New sewer main upgrade is underway on the Eastern side of Tweed Coast Road.

Works commencing from 22 August 2022 – Nightworks

- Commencing Monday 22 August 2022, works to install new 525mm sewer across Tweed Coast Rd and Cudgen Rd will begin.
- These works will be undertaken at night for safety and to minimise the impact on traffic.
- Most of the works will be low impact, however lane and footpath closures will be in place. Traffic controllers will be in place to guide traffic and pedestrians.

What to expect

- Traffic control measures, including lane closures, traffic controllers onsite, and changes to traffic signals during working hours, will be in place to ensure the safety of workers and vehicles while these important road upgrades are being undertaken.
- A reduced speed limit of 40km/h on Tweed Coast and Cudgen roads in the vicinity of the road upgrade works will be in place for worker safety.
- Short traffic delays may be experienced during this time. We apologise for any inconvenience and thank you for your patience.

Keeping you informed

We are committed to keeping the local community informed about construction activities for the new Tweed Valley Hospital. We encourage you to register to receive works notifications at www.tweedvalleyhospital.health.nsw.gov.au or contact the project team for further information:
