

TWEED VALLEY HOSPITAL PROJECT

November 2023

Kingscliff Ambulance Station Out of Hours Works Notification

With works progressing on the new Kingscliff Ambulance Station, a significant structural milestone for this project is the pouring of large concrete slabs. Due to weather the second large building pour will now be complete in December.

To minimise delays to this project, these works will be completed outside of normal working hours.

Please see below summary of extended working hours.

Pour two Week of 4 th Dec 2023	The concrete pour for the second level of the Ambulance Station will be commencing week of 4th December between the hours of 4:45am and 8pm , weather permitting.
--	--

What to expect:

- Works will be undertaken on the new Kingscliff Ambulance Station site outside of the regular working hours. Disturbances of regular hours will be between 4:45am to 7am, and 6pm to 8pm.
- Equipment in use will include concrete boom pump, concrete trucks, lighting, generator, and concreting equipment.
- There will be some noise impacts for properties in the immediate vicinity during these works. FKG will work to minimise these impacts as much as possible.
- Disturbances to the nearby area will be minimised with all works being maintained within the construction site.

Keeping you informed

We will continue to stay in touch and update you of key project events as the new station progresses.

Thank you for your patience and understanding while we complete this important project for the Tweed Valley community.
